

Name \_\_\_\_\_ Date \_\_\_\_\_

The number line below shows a math class that begins at 10:00 a.m. and ends at 11:00 a.m. Use the number line to answer the following questions.

- a. What time do Sprints begin?

10:\_\_\_\_\_ am

- b. What time do students begin the Application Problem?

10:\_\_\_\_\_ am

- c. What time do students work on the Exit Ticket?

10:\_\_\_\_\_ am

- d. How long is math class?

Class ends at 11:00 am - Class begins 10:00 am = \_\_\_\_\_ hours

11:00 am - 10:00 am = \_\_\_\_\_ hours
